

Flisvos Sportclub Naxos

Newsletter September 2013

Where to go in September and Oktober?

We are open until 02.11. !

Fantastic temperatures: air 20 -25 and water 21-23 degrees.

High wind months:

September and October are statistically the month with the most days with wind over 20 knots and 60% of the days over 15 Knots!

Have a look at the weather forecast:

<http://www.windguru.cz>

Prices for sport and accommodation are the best!

Boards and Sails from 2014

test the new Neil Pryde sails and RRD Boards

Tandem windsurfing

with the new Gemini von Starboard
<http://www.star-board-windsurfing.com>

Beach Café with fantastic sunsets

and beach parties

Events In the Lagoon: (The best place to learn)

Aloha Camps: 05.10. - 18.10.

Learn in one week funboard windsurfing in the straps, harness full gliding. Experienced instructors and well-tested teaching methods as well as most modern and light surf material from Roberto Ricci and Neil Pryde guaranty a fast learning success.

Bike and Hike to the highest mountain from Naxos:

Mount ZAS 1001 meters – the highest mountain of the cyclades. We bike until it is possible and then hike the last hour up to the top – you will enjoy a 360 degree panorama view of all islands around, this is just one example from the 15 different tours we offer.
