We also offer for those members of the family who are not so extreme, beach games, body- and surf boards and the possibility for you to sit back, relax & take a tan.

**BB Talking** waterproof Intercom is available of those windsurfers & kites looking for the latest in hi tech coaching.

### Spot information:

### **South Bay**

Best wind direction: NE to ENE,

The Center is located just 30 meters away from the wind/kite/surf areas of the south bay. The classic wind conditions in El Médano are side-onshore wind from the left from 12 knots up to 30+ knots. The water is usually perfect for bump and jump conditions and sometimes also in the south bay some wave is showing up. The beach is mainly sandy, and the very few rocks are clearly visible.

In the summer season (June-August) is when the wind is more reliable (average of 90% of wind over 4bft) and usually stronger.

In winter season the wind consistence is slightly less (65/65% days >than 4 bft) and only occasionally passes the 30 knots.

### **The Harbour Wall**

Best wind direction: NE to ENE, best wave direction: NE, side-shore slightly onshore wind.

Easy and safe wave spot located 500 meters up-wind to the center, just 10 minutes sailing. Rocky bottom but generally deep, offers an easy rolling wave that leaves often an exit. Perfect spot for beginner to experienced wave-riders.

### **El Cabezo**

Best wind direction: NE to ENE, best wave direction: NE, side-onshore wind

The famous windsurf world cup spot. Powerful wave with different peaks. Only recommended to expert wave-riders due to the shallow rocky bottom and the fast wave. Perfect for jumping and wave-riding.

### **Rental information:**

The Duotone Pro Center rental system is an open pool, so the guests are free to test every board or every sail/kite according to the actual conditions or to their tastes. Both in Kiting and Windsurfing we offer two categories for different prices and levels. The premium category is high performance oriented and the starter more free-ride oriented.

### **Classes Information:**

#### **General classes info:**

The most common kind of courses in El Médano is the private lessons for the faster progression that guarantees in the usual conditions the spot offers.

Except for the Kitesurfing group lessons (3 hours per session) all the other courses are developed in sessions of 2 hours. The most booked course is the 6- or 10-hours course (3x2hrs or 5x2hrs) for beginners/intermediate and the 6 hrs course for intermediate/advanced.

The kitesurfing group lessons:

- 1 instructor
- 2 students
- 1 kite shared between the 2 students

The windsurfing group lessons:

- 1 instructor
- 2/3 students
- Starting with 1 equipment shared, more equipment will be provided according to the weather conditions and the skills of the students.

The equipment is included in all the courses except in the improver course that offers the option "not including the equipment" if a guest wants to use his own gear.

Wetsuit and harness are included in all kind of courses.

All the Kite lessons and the advanced windsurfing lessons are run with the Bluetooth two-way communication from BBtalkin. This helps to raise the level in a short time.

### **TRUE Kite- and Windsurf Classes and coaching**

We offer professional and friendly service customized to your needs and level thanks to certified instructors, renewed material for each season, “high quality” installations offering the most up to date Watersports center in El Medano.

If you are visiting with your friends or partner, they will be able to enjoy the Flashpoint Cafe which is situated right next to the center and offers a beach front seating along with chilled environment protected from the wind inside, free WIFI, great selection of drinks and snacks to enjoy with a great view overlooking the surf and windsurf areas.

At the center, we ensure activities for adults and children on a daily basis, offering you quality lessons of windsurf, kitesurf, surf & SUP, working with reduced groups or one-to-one tuition. Thus, all of our clients can benefit from a safe, fun and fast progression. Due to our Bluetooth two-way communication from **BBtalkin** you can communicate with each other on the water. This will help you raise your level in a short time.

We dedicate ourselves 100% to the tuition of Kitesurf by following the **IKO (International Kitesurfing Organization) methodology**, that we consider to be the fastest, safest and most enjoyable way to teach and learn kite- or windsurfing in Tenerife.

For maximum safety kite group lessons are designed for only 2 people per instructor using one kite, giving an equal idea of the sport, control, safety systems etc.

We dedicate our private lessons to be personalized to each person’s learning ability allowing one of our Instructors to be right next to you giving the maximum security, as well as maximizing the lessons effectiveness.

All instructors at Duotone Pro Center are certified by IKO or the Spanish Sailing Federation. Your lessons are covered by a third-party Insurance Policy.
